

78. Wren & Whale Surrender

One who drinks through a straw is becoming a bird and there is a moment towards the end of summer when he succeeds.

Ramon Gomez de la Serna

Could be a wren (Ah-up-wha-eek) atop the Nuu-chah-nulth whale translates whale behavior to the whale hunter not in accordance with the unity of the plan *heshook-ish tsawalk*. All in the whaling canoe true to protocols *cleansed, purified... in harmony*. You can up the volume of your songs, can wonder (as whale tows you out to sea) what might've escaped order 'til wren as messenger (again) *the little brown bird* whispers: *Tell the whale to go back where it was harpooned.*

Later you find protocol broken back at home when one heard whale'd taken the harpoon and whale, sensing the deal breached, headed to sea. Later you find your songs enough to attract an intermediary (a go-between) could translate whale speak into Nuu-chah-nulth. Much later you find you're simply a prisoner in the *Dictatorship of Reason* - spirit, appetite, faith, emotion, intuition, imagination, experience all stuffed in the back of the empirical canoe. (It's all methodology.)

In the department store, some
one must move the mannequins
& haul in basketball hoops.

Threes to shoot a *spiritual primacy to existence* how a bear in a dream smiles, teeth 4 to 5 inches long could be sent to surrender his body/teach the querent *how to make medicine*. You could make a method (poetry?) in which make up for the *sort of cultural and psychic lobotomy* any sons of settlers've suffered.

Your life, career that
daily latté but a shadow of a reality
of the show the Divine (through Wren)
conspires for those in surrender.
