

Ann Graham Walker Anagram

Sure, we know her as Ann Graham Walker, but in the eyes of the most cunning language artificer, she's also a:

Hewn Anagram Lark,

yelling many things, such as:

*Hark, Lawn Manager!
Hark A Lawn Manger!
Hark A German Lawn!
Hark, Lawman Anger!
Warn Mr. Hank Algae!
Ma, A Hank Wrangler!*

&:

HA! Awaken Mr. Gnarl!

She could spend all day anagramming her name, but her focus is to:

Hang Lawn Earmark

or take a:

Rare Hangman Walk

or make a:

Ghana Lawn Remark

while keeping part of her body in a:

Warm Ankle Hangar.

Somehow she is all this while having:

Lawn Hanger Karma

& being a:

Mega Rank Narwhal.
