

EULOGY FOR MICHAEL McCLURE

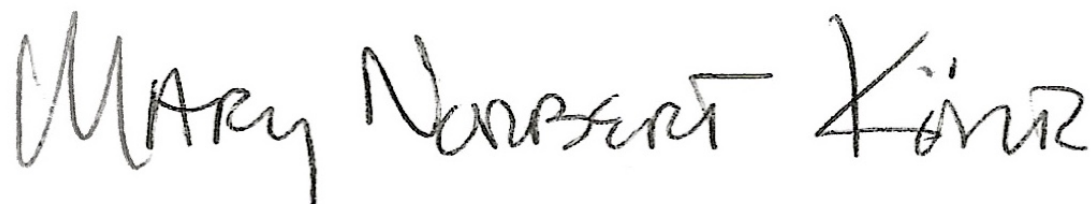

Once long ago in near past she saw him
as Adam striding into cyclones outside the
Gates beyond the comfortable afternoon air

& he brought with him voices
calls to summon those
he named to celebrate

Cougar Jaguarondi Lion
across savannahs & mountains
no matter where they were

he walks with them now
in company of the Garden
on the comfortable afternoon air

GRAHEER MICHAEL GRAHEER

A handwritten signature in black ink that reads "Mary Norbert Korte". The script is cursive and somewhat stylized, with the first letters of each name being capitalized and prominent.

Mary Norbert Korte
Mendocino County
